Skills

- C++
- Data Structures and Algorithms
- Flutter & Firebase
- HTML, CSS
- OOPs
- REST API

Education

P. G. Diploma in Taxation Law
Swami Ramanand Teerth Marathwada University (SRTM), Nanded
2024-2025
Studied Direct & Indirect Taxes, GST, Income Tax, and Tax Planning.

Bachelor of Technology
Dr. Babasaheb Ambedkar Technological University, Lonere
2019 - 2023

Higher Secondary (HSC)
Dayanand Science College, Latur
2017 - 2019

Projects

FIT Application (2023)
Developed a Flutter-based departmental app with login system, event registration, image upload, and profile management. Worked in a team and delivered a functional app.

BMI Calculator (2022)
Built a user-friendly BMI calculator app with proper validation and accurate results. Received positive feedback for usability and design.

Experience & Activities

Coding Contest Organizer
Organized coding contest and webinar, helping students improve programming skills and interact with industry experts.

Treasurer - FIT Organization
Managed finances, supported event planning, and improved teamwork and communication skills.

Languages

English - Professional
Marathi - Native

Interests

App Development, IoT, Web Development

Tushar Shinde

Software Developer

SUMMERY

Passionate software developer with strong knowledge in Data Structures, Flutter development, and problem solving. Also skilled in taxation concepts like GST and Income Tax.

Swami Ramanand Teerth Marathwada University (SRTM), Nanded

2024-2025

Bachelor of Technology

Dr. Babasaheb Ambedkar Technological University, Lonere.

2019-2023

Higher Secondary (HSC)

Dayanand Science College, Latur

06/2017 - 05/2019

PROJECTS

FIT Application (2023)

- Developed a departmental application in Flutter, showcasing strong proficiency. Implemented secure user registration and login, ensuring data privacy and authentication.
- Created an intuitive event registration process, simplifying participation for students. Utilized Flutter's features for seamless image uploading and sharing within the app.
- Designed and developed a comprehensive profile system, allowing students to showcase their memberships in student groups. Collaborated effectively with a team throughout the app's development lifecycle.
- Demonstrated problem-solving skills and attention to detail during development and testing. Successfully delivered a high-quality, functional application on time, receiving positive user feedback for enhancing student engagement.

BMI Calculator (2022)

- Developed a visually appealing and user-friendly BMI Calculator app in Flutter, incorporating an intuitive user interface for easy calculation of Body Mass Index (BMI) using height and weight inputs.
- Ensured accurate and reliable results by implementing appropriate calculations, validation checks, and BMI classification, providing users with valuable insights into their health status.
- Received positive user feedback for the app's simplicity, functionality, and its contribution to promoting health awareness.
- Demonstrated strong problem-solving skills by effectively handling potential edge cases and addressing user inputs, ensuring a smooth user experience.

ORGANIZATIONS

Coding Contest (11/2022 - 11/2022)

Organized a coding contest and webinar as a team member for the IT Department, empowering students to showcase their programming skills, gain insights from industry experts, and foster a thriving coding community through well-executed logistics and positive feedback.

VOLUNTEER EXPERIENC

Treasurer of FIT (Department Student Organization) As the Treasurer of the FIT Student Organization, demonstrated strong team management and

As the Treasurer of the FIT Student Organization, demonstrated strong team management and collaboration skills while contributing to successful event planning, and simultaneously honing interpersonal and communication abilities
